To Whom It May Concern,

This document is issued by **StaffingPros**, the registered Principal Entity, to support approval of the SMS header **STAFFP** under Indian DLT rules.

The requested header **STAFFP** matches the registered business / entity name **StaffingPros**. It is an abbreviation of StaffingPros and is **not** a third-party or unrelated brand header.

BuildFlow is an application developed and operated by StaffingPros under the Jora AI brand. OTP and account-authentication SMS for BuildFlow users will be sent under the StaffingPros entity using header **STAFFP**. Message content identifies StaffingPros and the BuildFlow application (for example: “StaffingPros: Your BuildFlow login code is …”).

Website links for verification:

- BuildFlow application: https://build-flow-frontend-jet.vercel.app/
- StaffingPros (registered business): https://staffingpros.tech
- Jora AI (product brand): https://jora.co.in
- SMS opt-in: https://build-flow-frontend-jet.vercel.app/sms-opt-in

I declare that this information is true and correct to the best of my knowledge, that **STAFFP** belongs to and matches the entity name StaffingPros, and that it is requested only for legitimate transactional / authentication messages.
